Code	Volume, l	Neck width, mm	Dimensions (H x W), mm	Material	Total number of refills	Term of use, months
AQUABOXBOTTLE5L_PINK	5	45	337 x 145	PET	100	6

HOW DISINFECT/CLEAN THE AQUABOX REFILL BOTTLE?

The bottle should be rinsed with warm water. You can use detergent or a natural disinfectant such as citric acid, but rinse the bottle well afterwards.

Caution: Do not wash the bottle with hot water or in the dishwasher.

USING A REUSABLE AQUABOX BOTTLE REDUCES PLASTIC WASTE BY 99% IN COMPARISON TO BOTTLED WATER
