

WATER SOFTENER SALT TABLETS

Ecosoft Water softener salt tablets suitable for all tablet water softeners

KEY FEATURES:

- High-quality product - 100% soluble - leaves no residue
- Made of PDV food-grade salt
- Hermetic packaging keeps moisture out and ensures long-term storage
- Supplied in 25 kg Bags
- Tablets dissolve evenly, so there are no problems with un-dissolved salt building up in the base of your water softener.
- No stirring required
- Recommended for industrial and household water softening systems

CERTIFICATES:

- ISO 10002:2018
- ISO 14001:2015
- ISO 22000:2018

CHEMICAL PARAMETERS:

Parameter	Unit of measure	Result	Limit values
Acid insoluble matter	%	0	Maximum 0,5
Water insoluble matter	%	0	Maximum 0,5
Sodium chloride (in terms of chloride)	%	99,9	Minimum 98
Sodium (Na)	%	39,3	-
Moisture content	%	0	Maximum 0,5
Chloride	%	60,6	-
Mercury (Hg)	mg/kg	< 0,06	Maximum 0,1
Iodine (in terms of potassium iodate KIO ₃)	mg/kg	Not detected	25-40
Calcium (Ca)	mg/kg	39,1	-
Chromium (Cr)	mg/kg	< 0,2	-
Magnesium (Mg)	mg/kg	< 4	Magnesium and earth metals maximum 100
Potassium (K)	mg/kg	< 4	Maximum 500
